McAuliffe at Smiley Foundation: 501c3

The mission of the McAuliffe at Smiley Foundation (MSF) is to provide resources to support McAuliffe International School. The foundation works with the school administration to prioritize school needs and then executes fundraising campaigns to address those needs. MSF goals are organized as follows, and details about our fundraising goals and progress are on our website.

- **Capital Improvements** - Bring the Smiley Campus up to 21st Century standards.
- **Student Support** - Provide supplemental resources for disadvantaged students.
- **Staff Empowerment** - Support faculty through recognition and workplace enhancements.
- **Program Sponsorship** - Enable additional learning opportunities to expand student experiences.
