Wednesday, April 9th @ ISD 4:00

For away games we need help carpooling to the fields. Please plan on getting to school at the arrival time and waiting in the main lobby (by the big glass doors) where we can figure out who will ride in what car. If you can not attend an away game please plan on picking up your child at school by the pick up time. We are hoping those that need a ride to a game can get one from another parent or coach Keeney.
