2018-2019 Parent Code of Conduct

Parents and guardians of McAuliffe International School students play an essential role in supporting the school's mission, culture and climate. We value our parents as partners and the McAuliffe staff is here to support our families.

For more information on how parents can be partners and the process for conflict resolution, please see the Family Handbook on our website. McAuliffe International School expects parents to:

- Demonstrate respect in both what is said and how it is said.
- Focus on issues, not individuals.
- Keep an open mind, be positive and flexible.
- Raise concerns with the appropriate person.
- Demonstrate public support for one another. Convey the message that parents and teachers are on the same page.
- Schedule appointments if a discussion is needed instead of dropping in or raising concerns in public settings, especially before or after school when staff are supervising students.
- Be aware that verbal, physical or sexual harassment will not be tolerated.
