The Art Garage is a nonprofit that offers high-quality art education classes taught by local professional artists. Students are able to explore creative art materials, learn and demonstrate art techniques, and design original artwork in a safe and supportive environment.

Students ages 3-12 can join us at The Art Garage every Friday and on DPS Holidays to learn fundamental art elements, art vocabulary, artistic styles, about famous artists, and much more in our themed School Day Out classes and camps and "Friday Workshops," which are structured around our skilled instructors' own lesson plans.
