Mission Statement:

McAuliffe International School develops inquiring, knowledgeable, and caring young people through the collaborative efforts of students, teachers, parents and community. McAuliffe International is a rigorous, high performing middle school that prepares students for success in high school, college and life.

Noble Cause:

All students are growing at McAuliffe, but not at the same rate. Our work is to make sure that **all students** benefit from the **exceptional academic opportunities** at our school so that they are prepared to succeed in high school and beyond. We are **Denver's Middle School for all students**. We want students to be **brave** enough to try - these are the students who grow.
